

## DIN 7/16 Male Termination

(Model: AMA-53010-30A)

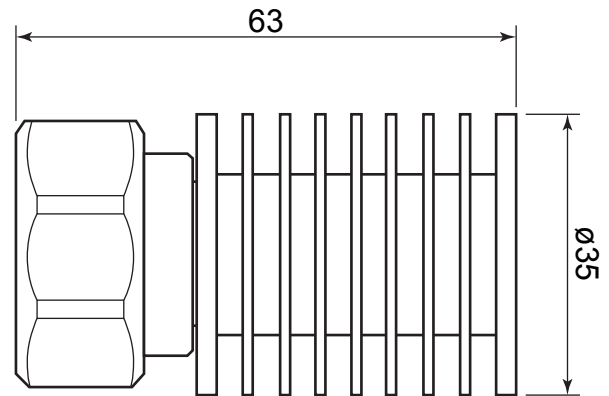

### Description

AMA-53010 is a 10W wideband RF load which covers 0-3GHz band with VSWR at <math><1.25:1</math>, and 0-6GHz band with VSWR at <math><1.5:1</math>. The compact design makes it an ideal choice as a termination for high power directional couplers.

### Specifications

Frequency	0-6 GHz
VSWR	$\leq 1.25:1$ (0-3GHz) $\leq 1.5:1$ (0-6GHz)
Power	10 Watts
Impedance	50 Ohms
Connector	DIN 7/16 Male
Size	$\varnothing 35\text{mm} \times 63\text{mm}$
Temperature	-55°C to +85°C

### Results (Typical)
