## **PAYMENT TERMS & CONDITIONS**

Rojone offers a range of convenient methods of payment. In some instances, prior arrangement with the company may be required for some transactions.

### **PRE-PAYMENTS**

A 'PROFORMA' invoice is provided for normal prepayment orders. This proforma invoice is used to confirm your requirement and provide you with details of our direct debit facilities either in Euro, Australian or US Dollar currencies.

Proforma for orders may be sent to the customer to obtain partial prepayment for manufacturing to start. Proformas for all other orders are sent to the customer when goods are ready so an accurate freight cost is given. Payments should be made without delay to ensure the lead times quoted can be met.

### **CREDIT CARD PAYMENTS**

For orders received and shipped within Australia, Rojone will accept a valid American Express, MasterCard or Visa credit card as payment. Government credit cards are welcome.

Note: A 3% Surcharge applies to all/any payments made by American Express credit cards.

International orders will need Management authorisation before a credit card can be accepted. In most cases we will not accept an international credit card.

Credit cards are not debited until goods are ready for shipment. A copy of the credit card receipt is attached to your Tax Invoice & shipped together with your products.

Note: All credit card transactions are in A\$ currency only.

### **DIRECT DEBITS**

Rojone welcomes direct debit payments for either new orders or as payment for existing credit accounts.

We have three direct debit accounts (Euro, Australian or US Dollar) depending on the currency you have been quoted and will be invoiced in.

Please contact [accounts@rojone.com.au](mailto:accounts@rojone.com.au) for banking details.

### **ACCOUNT FACILITIES**

Rojone offers customers who intend on making regular purchases the opportunity to apply for a 30 Day Credit account facility.

Please download our "CREDIT ACCOUNT APPLICATION" form should you wish to apply for an account.
